

2024 DEP Delegated Programs STATISTICS

The District has signed delegation agreements with the PA Department of Environmental Protection (DEP) to administer some of their programs locally.

Chapter 102 regulates sediment - PA's #1 waterway pollutant- through the District's Erosion & Sediment Control program and NPDES permitting. Chapter 105 regulates work in and around streams, wetlands, and other water bodies.

Chapter 105 Permit Reviews

District staff review plans and conduct site inspections to ensure proper installation & maintenance of BMPs.

Best management practices (BMPs) minimize erosion on earth disturbance sites and include compost filter socks, rock construction entrances, and more.
